HELPFUL TIPS

Students will remain in the same color leotard/shirt all year. This is determined based on their age prior to the age cut off of Sept. 1st.

No underwear should be worn with leotard and tights.

Dance Shoes should never be worn outdoors. Please have them in your dance bag until you arrive to the dance room. This INCLUDES Hip Hop Shoes.

A Refillable water bottle should be brought to class. Please no glass, open cups, cans, or cups with lids with protruding straw.

Tutus may NOT be worn in ballet class. A single layer skirt may be worn. ATTACHED skirt required for Baby, Twinkling & Little Starz. DETACHED skirt for all other age groups.

Dancers should wear something over their dance attire as they come and go from the studio.

Write your dancer's name on the INSIDE of ALL shoes and equipment.

Earrings may be worn in class. Please no dangling earrings or hoops for the safety of the dancer in all SSDS classes

CLOTHING REQUIREMENTS:

Leotards may not have side or front cut outs, nude or illusion material, lace with allusion or tan underlay in the bodice, bust, or leg line.

Leggings and Bike shorts may NOT have big logos, cutouts with or without mesh, colors, loose strings, Words or Logos around the waist elastic, buttons or attachments.

No visible bras or athletic bras will be allowed. Please select a leotard that support your dancers needs, or a bra not visible under their leotard selections.

Please help your dancer with the neckline and legline choices to keep leotards following a standard of modesty.

The fit of your dancers leotard is essential to a dancer's confidence. Please be mindful as the year progresses to be sure the fit still follows these guidelines.

Clothing, leotards and tights with holes should be replaced.
